

GEORGETOWN LAW

LL.M. Credential Assembly Service Waiver Form

I, _____, request to waive the

(Please Print Name)

requirement of using the LL.M. Credential Assembly Service (“Service”) as part of my application to the LL.M. program at Georgetown University Law Center. Georgetown is the only LL.M. program to which I am applying, and using this Service will present a serious financial hardship for me because of the following (please briefly describe your financial circumstances):

Because I am not using the Service, I understand that I must provide official copies of my transcripts, along with certified English translations if necessary, directly to the Graduate Admissions Office as part of my application.

I also understand that I must submit a Registrar’s Certification form, completed and signed by the Registrar or similar official at my law school/university, along with my transcripts and that my file will not be complete until this form is received.
