GEORGETOWN LAW
THE OFFICE OF THE DEAN OF STUDENTS

RESIDENCE LIFE & STUDENT PROGRAMS
HANDBOOK AND ACADEMIC CALENDAR
2012-2013
The Office of Residence Life and Student Programs is committed to responsible environmental stewardship. We ask you to help us achieve our goal of becoming a model green residential hall.

Recycling
Every apartment in Gewirz is equipped with a blue recycling container. Please use these containers to help recycle as much as possible. Recycling bins are located at the north (lounge) end of every hall, and recycling instructions can be found above the bins.

Please remember to rinse out all cans and bottles before recycling. The following materials can be recycled:
- Paper (including white and colored paper, and newsprint);
- Plastic;
- Aluminum/steel;
- Cardboard; and
- Glass.

Energy Conservation
- When your light bulbs burn out, visit the Office of Residence Life for energy efficient, compact fluorescent replacement light bulbs, free of charge.
- Turn off lights when not in use.
- Unplug appliances like computers and televisions rather than simply turning them off. While plugged in, they continue to draw and waste energy.
- Keep the thermostat on your refrigerator and freezer on the warmer, rather than colder, side.
- When not in your apartment, adjust the temperature of your room to a cooler setting in winter and a warmer setting in summer.
- Keep blinds open in the winter to allow sunlight to warm your room and closed in the summer, to keep heat out.
- When washing clothes, use cold water if possible.

Conserving Resources
- Make double-sided rather than single-sided photocopies.
- Buy recycled products, especially recycled paper.
- Print single-spaced when possible.
- Stop junk mail. Write a letter requesting that you be removed from the mailing list. Be sure to include your name and address and the name of the company you wish to stop mailing you. Sign your letter, fold it in half, staple closed, add a stamp and address, and mail.
- Choose biodegradable and earth friendly soaps and shampoos to reduce algae blooms.

Water Conservation
Saving water not only stretches the supply of natural water, but also saves the energy costs used for pumping and treating water.
- Report any leaks or dripping faucets at the front desk or online at http://www.law.georgetown.edu/reslife. Drips can waste up to 20 gallons per day.
- Only run full loads when washing clothes.
- Shorten your showers. Even a one or two minute reduction can save up to 700 gallons per month.
- Turn off the water when brushing your teeth and shaving.
- When washing dishes, use the least amount of detergent possible.

"Never doubt that a small group of thoughtfully committed citizens can change the world. Indeed, it's the only thing that ever has."

-Margaret Mead

To see the earth as we now see it, small and beautiful in that eternal silence where it floats, is to see ourselves as riders on the earth together, brothers on that bright loveliness in the unending night—brothers who see now they are truly brothers.

-Archipald MacLeish

“We invite you to share in the camaraderie of our community!”

You are now part of a unique living-learning community, dedicated to values that foster respect for each other and that enhance the academic mission. We believe that living according to these values requires us to show “active concern of each for the good of all in a common pursuit of wisdom.” As a Catholic and Jesuit University, Georgetown places special emphasis on the dignity and worth of every person and the love of truth. Membership in this community carries with it high expectations regarding the ways in which each person will act both within and beyond campus. In particular, students are expected to honor the following commitments in all their actions:

A commitment to the highest standards of honesty and personal integrity both inside and outside the classroom.

A commitment to treat others in a respectful manner, regardless of differences such as race, religion, nationality, ethnicity, gender, or sexual orientation.

A commitment to open discourse and the free exchange of ideas.

A commitment to exercise mutual care and responsibility in all relationships.

A commitment to an active concern for the safety, security, and well-being of each individual and a respect for individual, communal and university property.

Because acting against these values undermines the very essence of community, we ask that you read through this Gewirz Student Handbook. Each resident is responsible for knowing and upholding these policies. However, mere observance of rules falls short of what we hope each member can contribute to this community. Please help to make this a valuable learning environment in the coming year by upholding our values.

Additionally there are vending machines available 24 hours a day. There are beverage, snack, and cold food options available in several locations on campus: the Market Café seating area, the kitchen next to the Faculty Lounge on the 5th floor of McDonough, the first floor of the law library, and in the TV lounge in the Gewirz Student Center. There are also vending machines in the Sport and Fitness Center on the 3rd & 4th floors and in the Hotung International Building on the 1st and 6th floors.

**Housekeeping**
The housekeeping staff cleans the public areas in the Gewirz Student Center on a regular basis. This includes cleaning the lounges, laundry rooms and corridors. Residents are responsible for keeping their apartments clean. If you notice something in the Gewirz Student Center that needs attention, please notify the Office of Residence Life.

**Laundry**
Laundry rooms in Gewirz are located on the 2nd and 11th floors. All machines are both coin and card operated. Instructions for card-operated machines are found in each laundry room. Please use the machines carefully as overloading may cause damage. There are certain peak times for doing laundry, such as Saturday and Sunday afternoons. Doing laundry at other times should reduce over-crowding in the laundry rooms.

**Mail and Packages**
The mail boxes are located on the ground floor of the Gewirz Student Center, across from the Office of Residence Life. Each resident is assigned a numbered box to which mail should be addressed. Combinations to the mailboxes will be given out when residents move into their apartments. Mail should be addressed in the following manner:

*Jane Doe*  
*Box #*  
*120 F Street, N.W.*  
*Washington, D.C. 20001*  

All packages should be picked up at the package room. Residents will be notified when they receive a package.

**Please note:** Mail addressed to the "Georgetown University Law Center" will be delivered to McDonough Hall, not the Gewirz Center. To avoid delays in receiving mail, residents should be sure their mail is addressed to 120 F Street, NW. If you find misdirected mail in your box please place it in the “Misdirected Mail” box so it can be forwarded.

Students can deposit money on their GOCard to use at dining sites and vending machines on and near campus. Students who use their GOCards for purchases at campus dining facilities will be exempt from the 10% prepared food tax. For more details on how to deposit money to your GOCard debit account, you may visit the GOCard Web page at [www.law.georgetown.edu/gocard](http://www.law.georgetown.edu/gocard).

Shuttle Service
There are three free shuttle bus services available to residents. A free shuttle service provides transportation to and from Union Station. Another service, Georgetown University Transportation Shuttle (G.U.T.S.), runs between the Law Center and Georgetown University's Main Campus. In addition, there is a shuttle service for residents to grocery shopping areas. A full schedule is available in the Office of Residence Life.

INTERNET AND CABLE SERVICES IN GEWIRZ
The rent charged to residents covers internet and cable TV services (described below). Please contact the Office of Residence Life at 202-662-9290 or housing@law.georgetown.edu for assistance with any internet or cable problems.

Internet Access
There is wireless internet access throughout the Gewirz Student Center. To connect to the Law Center's wireless network, you will need a WiFi-certified (802.11b/g/n) wireless adapter. The IST Department has found that CISCO cards work best with the Law Center's wireless network. Mac users with AirPort adapters on their laptops should also be able to connect. Instructions for connecting to the Law Center's Wireless Network are located at http://www.law.georgetown.edu/ist/wireless/connectwireless.cfm. In addition, each bedroom in each apartment is equipped with a live Internet connection for your computer. You will need an Ethernet adapter and cable to use the Internet jacks. Technicians at the Technology Reference Desk (Room 304 in the Law Library) can help you if you have difficulty setting up your internet connection.

Internet Access Problems in Gewirz
If you experience any problems with your wireless or wired internet access, you must report it to the Office of Residence Life at housing@law.georgetown.edu or 202-662-9290. You will need to complete a Service Request form, located at http://www.law.georgetown.edu/forms/form.cfm?FormID=190. Once your Service Request form has been received, the Office of Residence Life will coordinate with the appropriate department to resolve your issue.

Cable Television
Each bedroom is connected for Cable TV access. Each resident is responsible for providing the TV and the appropriate coaxial cable. Please refer to the Channel Lineup, located at http://www.law.georgetown.edu/ist/students/CableTVChannelLineUp.htm for channel selections.

Gewirz Resident Computers
There is one public computer in the Third Floor Lounge in the Gewirz Student Center, which is equipped with Internet applications to facilitate research, web browsing, and e-mail access. You must use your Law Center ID & password to gain computer access.

Georgetown University's Computer Systems Acceptable Use Policy
All members of the University community are bound by Georgetown University’s Computer Systems Acceptable Use Policy (which can be found at http://policies.georgetown.edu/31641.html) and by federal and local laws, including those relating to civil rights, harassment, copyright, security, and other statutes relating to electronic media. Students should note that the University cooperates with the enforcement of laws pertaining to file sharing or unlawful downloading of copyright material.
GEWIRZ STUDENT CENTER

Philosophy
The use of the Gewirz Student Center as a residence for approximately 290 students significantly enhances the educational, social, and recreational opportunities available to all members of the Law Center community. These opportunities will be maximized, however, only if each member of the community extends to his/her fellow residents the courtesies necessary to make each person's experience comfortable and pleasant. To that end, community guidelines have been developed, which each member of the community is expected to follow.

Please note that student residents of Gewirz are bound by these guidelines, as well as the Student Disciplinary Code published in the Law Center Bulletin, which remains applicable to all students regardless of where they reside.

Sections 101-103 of the Student Disciplinary Code describe substantive violations as being in one of three categories:

Sec. 101 STANDARD OF CONDUCT
Without regard to motive, intentional student conduct that is dishonest, evidences lack of integrity or trustworthiness, or may unfairly impinge upon the rights or privileges of members of the Law Center Community is prohibited.

Sec. 102 ADMINISTRATIVE VIOLATIONS
Prohibited conduct that does not evidence a serious lack of honesty, integrity or trustworthiness on the part of the student engaged in such conduct constitutes an administrative violation, but does not constitute a disciplinary violation.

Sec. 103 DISCIPLINARY VIOLATIONS
Prohibited conduct that does evidence a serious lack of honesty, integrity or trustworthiness on the part of the student engaged in such conduct constitutes a disciplinary violation.

Residents Conduct Inquiry Procedure
Living in the Gewirz Student Center is a privilege and requires adherence to community living standards. Everyone in the building has the right to feel safe and secure in this environment. Any action that threatens or disrupts this community or its members may be subject to the following process. The goal is to resolve issues administratively when possible.

1. Process
Complaints or violations involving resident behavior are initially handled by the Assistant Director of Residence Life in the Office of Residence Life. These include disruptive behavior, grievances against a resident, and violations of the Occupancy Agreement or the Gewirz Student Center policy. If an agreement cannot be reached, the complaint may proceed to the Director of Residence Life and Student Programs or to the Dean of Students. These persons have the authority to administratively investigate and respond to complaints about student conduct.

In most cases, the Assistant Director will proceed to investigate the incident. In some cases, however, after consultation, the matter will be referred to the Law Center's Professional Responsibility Committee or Ethics Counsel. Once the Committee takes jurisdiction over the matter, the involvement of the Office of Residence Life ends.

2. Resolving Complaints
The Assistant Director of Residence Life will make every attempt to handle complaints regarding residents' conduct in a fair and timely manner.

As part of the investigation of a complaint, the Assistant Director will give the resident about whom the complaint has been filed timely notice of the complaint and a chance to respond to the complaint or allegation. The resident will be informed of the nature of the complaint and given an opportunity to respond in writing and in person.

3. Sanctions
Sanctions may include one or more of the following:

a. Verbal warning - applied for minor, first time violations
b. Written warning - follows a meeting with the resident and reflects a more serious violation. A copy of the letter is kept on file during the period of occupancy.
c. Room change - for a serious violation that does not warrant termination of the occupancy agreement.
d. Expulsion from housing - used for behavior that threatens health of oneself or the health or well being of others or for serious or repeated violations of the Occupancy Agreement, Gewirz Student Center policies or Student Conduct Code. Residents expelled from housing are given 24-48 hours to vacate.
e. Damage charges - Charges for damages shall be assessed as appropriate and charged to the resident’s student account.
Policies and Procedures

4. Appeal in Cases of Expulsion from Housing
A resident who has been asked to vacate the Gewirz Student Center because of serious or repeated misconduct may appeal the decision to the Dean of Students within one business day. The Law Center reserves the right to remove a student from housing immediately pending adjudication, when it determines, in its sole discretion, that this student would pose a threat to his/her own or other’s safety or well-being and/or would create a disruption to the community if he/she remained in the residence hall while the issue is investigated.

Cancelled Occupancy Agreement
When a resident signs an occupancy agreement, he/she accepts full financial responsibility for his/her space in the apartment for the entire occupancy period. A resident who wishes to cancel the agreement may do so at any time if he/she can find an eligible student who is willing to assume the occupancy agreement. The procedures for this are:

1. The resident wishing to cancel the Agreement contacts the Office of Residence Life.
2. The Office will provide the resident with a list of eligible students who may be interested in assuming the occupancy agreement.
3. The resident is responsible for contacting the eligible student and ensuring that all administrative procedures are completed.
4. A refund is offered to the departing resident based on the day that the Office of Residence Life determines that all administrative procedures for the cancelled agreement have been completed.

Move-out
All residents will receive instructions concerning moving out. In order to avoid unnecessary charges, remember the following:

1. Keys should be turned in at the Office of Residence Life.
2. Make sure the apartment is clean and that all personal belongings and trash have been removed.
3. All apartments must be vacated by the assigned time on the last day of the Period of Occupancy.
4. All apartments will be inspected before and after the residents leave. The condition of the apartment upon move-out will be compared to the apartment and room inventory form each resident signed during move-in. If there are any damages or missing inventory, the resident(s) responsible for the apartment or bedroom will have the charge for repair or replacement cost billed to their student account.

Room Charges
Room charges are placed on each resident's student account at the beginning of each semester. They are due at the same time as tuition charges and are subject to the same late fees, deferment fees and monthly service charges. Georgetown University offers a monthly payment plan that enables a student to pay all or part of his/her annual tuition and room and board in ten equal monthly installments. Interested students should contact Student Accounts at (202) 662-9057 for further information. All arrangements to participate in the monthly payment plan must be in place by the start of the academic year.

Termination of Occupancy
The Law Center reserves the right to cancel an Occupancy Agreement if:

1. The resident ceases to be eligible for housing in the Gewirz Student Center; i.e., the resident is no longer a student at the Law Center.
2. The resident violates any term of the Occupancy Agreement, including, but not limited to, failure to pay any amount due on the due date, failure to vacate the assigned space or allowing any other person to occupy the space without prior written consent from the Law Center; resident causes harm to others, self, or is exceptionally disruptive to the community.
3. The assigned space is unavailable or unusable due to damage, construction, renovation, the necessity for repair or for any other reason that the Law Center considers to be good cause.

4. The student violates the Student Conduct Code, the Gewirz Student Center policies and/or the terms of the Occupancy Agreement, and is sanctioned with expulsion.

If the Agreement is terminated by the Law Center, the resident will vacate the assigned space within 24 to 48 hours. In certain cases, an immediate vacating of space may be required. In most cases, the resident will remain liable for all fees for the full period of occupancy.

Reporting a Sexual Assault
Deciding to report sexual assault can be a difficult and personal decision. Georgetown Law students have several options for reporting sexual assault on-campus and off-campus. Reporting a sexual assault to the University as a violation of the Student Code of Conduct and reporting the assault to local law enforcement are two different processes. The Sexual Assault and Relationship Violence Liaison is available to discuss reporting options and provide support and assistance through any or all of these processes. In case of an after-hours emergency, contact the 24-hour DC Rape Crisis Center hotline at 202-333-RAPE (7273).

Consult with the Sexual Assault and Relationship Violence Liaison, Laura Cutway, lmc228@law.georgetown.edu, 210 McDonough Hall, (202) 662-4042 or Jen Schweer, Sexual Assault and Relationship Violence Services Coordinator, jls242@georgetown.edu, Village C West – Main Campus, (202) 687-0323.

Referrals for off campus counseling and support services can be provided at the student’s request. For further information, contact Laura Cutway (202) 662-4042.

Blue Light System
Around campus you will find posts with blue lights on them. Each of these spots has a phone that can be used to call for help during an emergency as well as an emergency button. Pressing the button causes the blue light to flash and send for the campus police.

Access Control
The Law Center limits access to our campus. Department of Public Safety officers and/or employees monitor access at the main entrance of the Edward Bennett Williams Law Library, Gewirz Student Center, the New Jersey and 2nd Street entrance of McDonough, the First Street and Tower Green entrances of Hotung, and the main entrance to the Sports and Fitness Center. In order to assure campus security, it is important that you show your Law Center GOCard when requested to do so.

Community Alerts
Information about any serious criminal activity affecting the Law Center is reported to the Law Center community as soon as possible. This information is made available through oral briefings, posted memos, campus publications, and e-mail. In addition, there are computer monitors in front of the entrance to the cafeteria that provide information on events affecting the community. You can also register online for HOYAlert on the GULAW website. In addition you can be notified of all Washington DC emergencies by subscribing to DC Alert at https://textalert.ema.dc.gov/index.php?CCheck=1

Fire Emergency Procedures
Gewirz Fire Safety System
The fire safety system in the Gewirz Student Center consists of three systems that work simultaneously. First, the smoke detection system alerts us to the location of a potential fire. Second, the sprinkler system responds to extinguish any fire. Third, the air exhaust system works to minimize the negative effects of smoke. In addition, the construction standard for the building provides for a two-hour fire resistance separation in the stairwells. This combination of effective systems and features provides a level of fire safety beyond what any single system can provide.

The smoke detection system is extremely sensitive. It detects smoke in the corridors, elevators, lounges and stairwells. When it is activated, it announces an evacuation, but only of the floor indicating a problem and the floors above and below it. We call this a "sandwich system". The evacuation command is also heard in the stairwells and the elevators. This system is used in most modern high-rise facilities and is designed to control crowding in the stairwells, where the majority of injuries occur.

The fire department is called by DPS at the first alarm indication. Because of the sensitivity of our system, the alarm may be set off by something as small as a cigarette in a no smoking area. Our facilities engineer then investigates the location identified by the alarm indicator.

If no fire is discovered and an alternative reason for the alarm response is determined, the "all clear" sign is given and everyone may re-enter. If a fire is discovered, we begin a full building evacuation. Depending on the specific circumstances of the fire incident, Public Safety may further alert Gewirz residents by means of the fire safety system intercom and/or place all of the floors of the building in the fire alarm mode. The Law Center’s alarm system is activated when fire or smoke is detected.

Immediately following the alarm, an evacuation message will be heard. Everyone should leave through clearly marked exits. Please familiarize yourself with the location of the nearest fire exit stairway. In the unlikely event of a fire, please find the nearest stairwell, and exit quickly but calmly. The elevators should not be used. Re-entry to affected building(s) will be announced by the Department of Public Safety after clearance from the Fire Department. It is very important to evacuate when the fire alarm goes off.

We do not recommend that you fight fires. If you should ever be trapped by a fire, however, we do want you to know how to operate an extinguisher. Please take a moment to review the instructions on your extinguisher so you will be prepared should you encounter a fire.
SAFETY, SECURITY, AND EVACUATION

Your safety and the security of your personal property are of the utmost concern to Georgetown University Law Center. We urge you to take advantage of the following suggestions:

Double Lock
For additional security, use the deadbolt provided on your door. This will prevent the door from being opened by a regular room key. Do not leave your doors propped open.

Visitors
Residents who expect a visitor should meet him/her in the lobby. Every attempt is made to ensure guests sign in.

Students with Disabilities
Any residents who need assistance in evacuating the building should proceed to the North Stairwell on their respective floor (stairwell is identified as the evacuation point for students with disabilities). A list of residents with disabilities is posted in the fire control room for the Department of Public Safety and fire department. Residents with disabilities will be evacuated by the fire department.

Public Safety
If you need assistance or a campus escort, dial 662-9325. Report suspicious individuals to Public Safety.

Safety and Emergency Response Information

The following information is meant to assist you in case there is a natural, accidental, or deliberate incident affecting our community. While the level of detail is intentionally brief, the administration at Georgetown University Law Center has established specific plans for emergencies. Details of these plans are available on the Law Center website [www.law.georgetown.edu](http://www.law.georgetown.edu). This overview will give you an idea of the services and support systems available to you at the Law Center. The Gewirz Student Center has assigned floor marshals as well as building marshals, identified by their emergency vests. Please take a few minutes to familiarize yourself with this information.

LAW CENTER SAFETY AND SUPPORT SYSTEMS

Department of Public Safety
The Department of Public Safety (DPS) is responsible for providing security at the Law Center. In order to meet this objective, DPS has 24-hour coverage at the Gewirz Student Center and the 2nd Street entrance to McDonough Hall. DPS also maintains fixed security posts at both the entrance to the Edward Bennett Williams Library during all times the library is open. In addition, DPS officers patrol the Law Center campus, both on foot and in marked vehicles. In case of an emergency, DPS should be notified immediately at (202) 662-9325.

DPS Escorts
DPS offers 24-hour escorts to any campus location as well as to cars parked near the school and to the Washington Court Hotel taxi stand. Contact DPS at (202) 662-9325 for details.

Key Safety and Room Access
Keep your keys safe, and don’t lend them to anyone. Have your key ready before you get to the door. If your key or GOCard is lost or stolen, report it to Public Safety immediately.

Georgetown University reserves the right to enter an apartment and/or a resident's room for administrative purposes, repairs, to inspect for compliance with health, fire, building codes or for other situations that the University deems to be a danger to health, safety, or property or a potential violation of law or university policy. An effort will be made to give resident(s) advance notice before a University staff member enters an apartment or room. In addition, when a staff member needs to enter an apartment and/or bedroom, he/she will knock and enter only after waiting a reasonable amount of time. If the occupant is not home, a note will be left indicating the name of the person who entered and the purpose of the entry.

In order to maintain the University's right to enter apartments and/or rooms, no additional locks or security systems may be installed on any doors. If you have particular concerns about safety, please contact the Office of Residence Life.

SAFETY AND EMERGENCY RESPONSES

Structural Threat
The Law Center’s alarm system is activated when fire or smoke is detected. Immediately following the alarm, an evacuation message will be heard. Everyone should leave through clearly marked exits. The elevators should not be used. Re-entry to affected building(s) will be announced by DPS after clearance from the Fire Department. It is very important to evacuate when the fire alarm goes off.

Weather-Related Events
In the case of natural disasters, such as tornadoes, hurricanes, floods, earthquakes or blizzards, updated information will be available for reasonable possibilities on the televisions in the classrooms on GULC TV channel 6. Information will also be provided on the Georgetown Law website and transmitted via HOYA Alert. If specific action is required, it will also be announced on the public address system if possible. In some of the above cases, the recommendation may be to shelter inside the law school buildings.
Man-Made Disasters
This type of event would include such threats as bio-terrorism, dirty bombs and chemical spills, and may or may not require partial or full evacuation of the Law Center. In the case of such an event, an announcement will be made indicating what you need to do. In some situations, we may ask you to remain in the shelter of the Law Center buildings.

Personal Safety
The Law Center's location in the District of Columbia is one of its greatest assets. But living in any urban area presents risks as well. Residents should take every precaution to protect themselves.

If you have been threatened by anyone or feel that you are at risk of being hurt, report the incident to the Department of Public Safety or the police.

If you observe a suspicious person on University property, notify Public Safety immediately at 662-9325.

Remember, every emergency situation is different. Only you can decide what course of action is appropriate under the circumstances. Always be aware of your surroundings. Follow your intuition, be careful, and don't take any chances.

Residents' Safety
We remind residents to take responsibility for their personal safety by observing the following:

1. Keep your apartment door locked at all times.
2. If someone knocks, know who it is before opening your door. Never leave any Gewirz Student Center door propped open. You put the whole community at risk if you do.
3. Protect your property by identifying all items of value. Make a list of your valuables including item, brand name, model, serial number and description. Keep this list in a safe place.
4. Protect your belongings. Secure all valuables in your bedroom. Check out a bedroom key at the front desk.

Bicycle Storage
Secure storage is provided for residents who own bicycles. To avoid unnecessary damage to apartments and public areas, residents should use the secure storage space provided and not bring their bicycles to their apartments. **Bicycles must be registered with the Office of Residence Life.**

Floor Lounges and Floor Terraces
The lounges on the residential floors and the terraces on the 11th and 12th floors are for the use of the residents and their guests. Furniture from the lounges and the terraces should not be removed. Floor lounges may be reserved through the Office of Residence Life. Smoking is not allowed in the lounges or on the terraces. Doors to the 12th floor terrace are locked by Public Safety at midnight and reopened the next morning.

Furnishings
Each apartment in the Gewirz Student Center is fully carpeted, furnished and equipped with miniblinds. The furnishings for most apartments includes a bed, desk, chair, bookcase, and floor lamp. Larger apartments have loveseats in the living room areas. All have kitchen tables and chairs.

Residents are welcome to personalize their apartments for their own comfort. Please keep the following guidelines in mind:

1. Storage space is not available; therefore, furnishings in the apartments cannot be removed.
2. Tacks or small nails should be used to hang or post decorations on the apartment walls. Adhesive material should not be used.
3. Decorations may not be hung outside the building.
4. Remodeling and/or permanent changes to the apartment (including painting) are not allowed.
5. Furnishings in the apartment are to be used for their intended purposes only.

Heating/Cooling System
The Gewirz Student Center is equipped with a central system, but each room contains a thermostat for individual climate control. For year-round comfort, thermostats should be set at about 68 degrees in the cool seasons and 72 degrees in the warm seasons. Because the system operates on two pipes, it can offer heat or air conditioning but not both simultaneously. The heat is generally activated in October and the air conditioning in April.

Policies and Regulations

Insurance
Because Georgetown University does not provide coverage for personal belongings that are lost or damaged, insurance coverage for all personal property is recommended. You may be covered through existing homeowner's or renter's insurance. If you are not covered under an existing policy, you are encouraged to purchase coverage.

Although not administered by the University, National Student Services (nssic.com) provides property insurance to university students nationwide. Interested students should call 1-800-256-6774 for more information.
**Keys and GOCards**
A resident who loses his/her GOCard should report the loss to the Office of Residence Life or Public Safety immediately.

**Lockouts**
A resident who is locked out of an apartment can go to the Office of Residence Life during desk hours to sign out a replacement key. Positive identification must be made to issue a new key. Residents have 24 hours to return the replaced key without charge. If the office is not open, a Public Safety Officer will unlock a resident’s apartment when identification is provided.

**Lost Keys**
A resident who loses an apartment key can go to the Office of Residence Life and have a new key issued. If the resident knows that the key is lost, the resident will be charged $25 for the replacement key. If the key is missing or simply misplaced, the residents will have 24 hours to turn in the replaced key. If the key is not returned, the resident will be charged a fee of $25.

**Distribution of Keys**
To ensure the safety of residents, keys are given only to residents. In addition, residents may possess only one key to their apartment. Signing out keys for guests is not permitted. Residents may not duplicate their keys.

**Parking**
Because of our location near Washington's Metro system, as well as the availability of Georgetown's shuttle service, residents may not need to bring a car. However, there is limited long-term parking available at the Gewirz Student Center. Car storage fees are paid by the semester, and an application for Gewirz parking is available at www.law.georgetown.edu/reslife.

**Personal Property**
Georgetown University is not responsible for the theft, damage or loss of residents' property. In addition, any personal property left in an apartment after the Housing Occupancy Agreement expires will be removed at the resident's expense.

**Refuse/Recycling**

**Refuse**
Trash chutes are located on each floor at the south end of the building near Stairwell Three. Trash should be tightly tied in plastic bags before being placed in trash chutes. Residents should be careful not to force large items into the trash chute. Boxes or large items that will not fit should be brought down to the loading dock area.

**Recycling**
Recycling facilities are located on each floor at the north end of the building. Residents of the District of Columbia are required to recycle aluminum, glass, plastic, paper and newspapers. Residents should rinse out containers before putting them in the recycling bins. Do not put trash in the recycling bins.

**Disposing of Hazardous Substances**
Residents who need to dispose of hazardous substances, including solvents, grease, paint and toxic substances, should contact the Office of Residence Life for information about proper disposal. Please do not pour these substances down plumbing drains.

**Storage**
Unfortunately, space does not permit storage of personal belongings in the Gewirz Student Center.

**Utilities**
The cost of utilities is included in the cost of the apartment. Residents may be subject to additional charges, however, if their utility usage is excessive.

Living in the Gewirz Student Center—Policies

Alcohol

I. Purpose:
Students at the Georgetown University Law Center are preparing to enter a self-regulated profession with high expectations for professional conduct. Student conduct should reflect appropriate behavior of one entering the legal profession. University policies have been established to guide behavior and choices, promote the growth of our community and contribute to the overall learning environment.

Specifically, this policy is intended to clarify the regulations and guidelines governing alcohol and drug use by law students and student organizations. Both the District of Columbia and Georgetown University prohibit the possession, use or distribution of illicit drugs by students or employees at any time. Likewise, it is also a violation of Georgetown policy and the District laws to give, provide, offer, purchase or otherwise make alcohol available to persons under 21.

Working with Georgetown University guidelines and applicable law, this policy is designed to promote responsible alcohol use and involve all members of the community in risk management. Each individual is responsible for his or her conduct. Students or student organizations that violate this policy or the law may be subject to legal sanctions or administrative sanctions through the Law Center, as well as any legal sanction sought by local law enforcement.

II. Alcohol Policy

A. Open and Closed Events

An open event is one that is open to the public or is advertised in some fashion to the community at large and can be expected to attract guests from beyond the Law Center community. A closed event is advertised to the Law Center community only. Invited guests from outside the Law Center community may attend a closed event but must be placed on a guest list, which is submitted to the sponsor in advance. (A sponsor is the Law Center community member responsible for the event. See: Supervision)

B. Funding

University funds may not be used to purchase alcohol at open events. University funds may be used to purchase beer and wine only for closed events. University funds may not be used to purchase hard liquor under any circumstances. If an event will be funded through ticket sales, donations, admission fees or any other means of collecting money and those funds will be used for the purchase of alcohol, the sponsoring organization must operate the event under a liquor license, regardless of whether the event is open or closed. Money collected is considered university money once it is deposited into a university account. University funds may not be used for hard liquor.

C. License

If alcoholic beverages are to be sold, a liquor license is a legal requirement. Selling includes charging an admission fee, or any other direct means of collecting money to fund the event. A temporary liquor license may be purchased through the District of Columbia’s Alcoholic Beverages Commission [see Student Organizations Handbook]. If the event is catered, the caterer’s valid liquor license may meet this requirement. The event sponsor is responsible for confirming that an appropriate license is in place prior to an event.

If common source alcohol is served, such as a keg, a licensed server or the license holder’s designee must serve the alcohol. A license holder must designate in writing who may serve using their license. Servers may not consume alcohol while working the event.

D. Caterers and Event Sites

Any on-campus event that is catered or any off-campus event site (excluding private homes) where alcohol will be served must carry appropriate liability insurance acceptable in amount and form to the University’s Office of Risk Management.

E. Supplemental Insurance

Large events, defined as those at which more than 100 attendees are expected, may require additional insurance. The sponsors should consult University Risk Management regarding the need for and amount of such supplemental insurance.

Likewise, if more than two kegs of beer or two cases of wine will be served, the host must either purchase additional event insurance OR have the event catered by a company with the appropriate insurance, acceptable in amount and form to University Risk Management.

F. Amount of Alcohol

The amount of alcohol served at an event must be calculated based on the number of expected attendees multiplied by the duration of the event. Reasonable calculations should be used such that excessive consumption is not encouraged.

G. Alcoholic Beverages

Hard liquor may not be served on-campus at student-sponsored events and as noted above, university funds may not be used to pay for hard liquor under any circumstances, even if the student event is off-campus.

H. Supervision

Each event must have a responsible Georgetown Law Center member (student, staff or faculty) in attendance at all times, who shall be designated as the “event sponsor.” Unless otherwise designated, student organization officers of the hosting organization are assumed to be the sponsors. This event sponsor (s) is responsible for the management of the event and will be held responsible for adherence to these policies. There should be one sponsor for every 200 attendees. The sponsors supervising
an event are encouraged to forego alcohol during the event and must remain sober.

I. Public Safety
The Department of Public Safety (DPS) must be notified of any event on-campus at which beer or wine will be served at least two weeks prior to the event. Depending on the size and nature of the event, DPS officers may need to be present at or near the event. This determination shall be made solely by DPS, and the cost of any officer’s time shall be borne by the sponsoring organization or individual.

J. Publicity
In an effort to promote responsible behavior, all publicity for an event at which beer or wine will be served must be cleared with the Office of Student Life. All publicity mentioning alcohol must also refer to non-alcoholic beverages and food in an equally prominent way. No publicity may encourage the overindulgence of alcohol with terms like “free beer” or “all you can drink.”

K. Alternative Beverages and Food
Any group serving alcohol is required to provide easily accessible, non-alcoholic beverages and some type of food. At least one-third of the beverages offered must be non-alcoholic. If the supply of non-alcoholic beverages is exhausted at any time during the event, the serving of alcoholic beverages must be halted until more non-alcoholic beverages become available.

L. Service
If alcohol is sold, guests may not serve themselves. Guests may not serve themselves if common source alcohol is served, such as a keg. Guests may not leave an event with alcohol. All beverages must be served in open containers.

M. Open Containers
Beer or wine may be served as part of an on-campus event using the above guidelines. Individual students who choose to consume beer or wine at such events are advised to confine their consumption to the areas specifically designated for the event, as D.C. law prohibits the consumption of alcoholic beverages in public places, including public areas of the Law Center for which a license to sell alcohol has not been issued.

N. Parties in the Gewirz Student Center
A social gathering of 15 or more people is considered a party. Out of consideration to neighbors, parties of this size or larger should be held in a designated lounge, reserved in advance. For more information, please contact the Office of Residence Life.

All residents of Gewirz are expected to follow the alcohol policy that is outlined previously. Open containers of alcohol are not permitted in any common or public area of the Gewirz Student Center including lounges, stairwells, terraces and corridors, unless the student has received prior written permission from the Assistant Director of Residence Life. The consumption of beer and wine is permitted in a designated lounge provided that the event is in compliance with University policy and the laws of the District of Columbia. However, common sources of alcohol, such as kegs, are not permitted in Gewirz. For more information, please contact the Office of Residence Life.

Sponsored groups are permitted to have beer and wine in the Gewirz Student Center for social events only with prior written permission from the Office of Student Life. Bulk containers are not permitted.

II. Drugs
Consistent with the laws in the District of Columbia and Georgetown University, possession, distribution and use of illegal drugs are prohibited by all members of the Law Center community. In addition, sharing, selling or illegal use of prescription medications is also prohibited.
Living in the Gewirz Student Center—Policies

Dangerous Materials and Substances
Dangerous materials and substances, including grills, hibachis, explosives, fireworks, flammable materials, weapons and illegal drugs, are not permitted anywhere in the Gewirz Student Center.

Guests
Guests of residents are welcome to visit the Gewirz Student Center. Guests staying overnight more than 3 days in a month, however, need to have permission from the Office of Residence Life. To seek such permission contact (202) 662-9290. The resident host will be responsible for the guest. The University reserves the right to remove a guest from the Gewirz Student Center if he/she violates Gewirz Student Center policies.

Parties
A social gathering of 15 or more people is considered a party and is subject to additional policies. Out of consideration to neighbors, parties of this size should be held in a designated lounge, reserved in advance and in accordance with all University Alcohol Use Policies. For more information, please contact the Office of Residence Life.

Pets
For the safety and well-being of humans and animals, the only pets that students are allowed to have in the Gewirz Student Center are fish. A "fish" is defined as an aquatic species that must live underwater at all times to survive.

Posting Materials
Materials to be posted in the Gewirz Student Center must be approved by the Office of Student Life. Once approval has been obtained, the materials should be posted only in approved places or delivered to the Office of Residence Life for distribution.

Public Rooms
The Flegal Moot Courtroom (108) and the twelfth floor reception room may be reserved by the entire Law Center community through the Office of Student Life, room 170, McDonough Hall, x9292. The TV Lounge may also be reserved on a more limited basis.

Quiet Hours/Courtesy Hours
It is important that the environment in the Gewirz Student Center be consistent with the academic goals of the Law Center. Therefore, the Gewirz Student Center maintains quiet hours and courtesy hours. Quiet hours are from 1 a.m. to 7 a.m. During quiet hours, sound or noise should be maintained at a level that allows for concentrated academic study. When quiet hours are not in effect, courtesy hours will be maintained. During courtesy hours any noise or sound that disturbs other residents must stop upon request.

Reasonable Requests
University officials, including Public Safety and Residence Life staff, may make requests to ensure a comfortable and safe living environment for all residents. Residents and visitors to the Gewirz Center are expected to comply with any reasonable request. Failure to comply may result in University action.

Smoking
Residents who wish to smoke may do so outside, at least 25 feet away from the building entrance. Smoking is not permitted in any apartment or public areas in the Gewirz Student Center, including terraces.

Solicitation
To ensure residents' privacy, anyone who wishes to sell or solicit, including Internet ventures in the Gewirz Student Center must have prior written approval from the Office of Residence Life. The operation of a business from a Gewirz Student Center apartment is not permitted.

Vandalism and Dangerous Activity
Residents and visitors to the Gewirz Student Center are not permitted to damage University property or participate in any activity that might endanger the safety or well-being of themselves or others. This includes placing items, sitting, or standing on window sills or ledges, being on the Gewirz Student Center roof, and dropping items down the stairwells.

Gaming & Gambling
Georgetown University Law Center expects students to adhere to all laws of the District of Columbia, including the following gaming and gambling laws. DC law prohibits gaming or gambling devices of any kind designed for the purpose of playing any game of chance for money or property (DC ST § 22-1704). It is also unlawful for any person or association of persons within the District to place a bet or wager or to make books or pools on the result of any athletic contest. The term “athletic contest” includes any athletic or sporting event, contest, race, or match (DC ST § 22-1708). Managing, promoting, or partaking in any public lottery or sale of tickets is also prohibited (DC ST § 22-1701). Bingo, raffles, and Monte Carlo night parties organized for educational and charitable purposes must be regulated by the District of Columbia Lottery and Charitable Games Control Board. (DC ST § 22-1717)

If a Student Organization is interested in holding a raffle, card game, or fundraising event of any kind, please contact the Office of the Dean of Students (202.662.9041) before organizing the event.
Failure to Vacate
The resident shall vacate the assigned space on or before the end of the period of occupancy. If the space is not vacated by the end of the period, the resident is responsible for all costs and direct or indirect damages suffered by the Law Center in connection with the failure to vacate. Costs and damages include, but are not limited to, the cost of accommodations for each student who would otherwise have occupied the assigned space, and all expenses, including legal fees, incurred by Georgetown in connection with removing the resident from the assigned space.

Arrears
The resident will be responsible for all costs incurred by Georgetown, including collection agency and legal fees, for collection of past due payments of rent, telephone or other charges owed under his/her Occupancy Agreement. In the event that the resident is in arrears, the Agreement is subject to termination at the sole discretion of the Law Center.

Tuition and Room Refund Insurance Plan
Students may wish to consider the purchase of a tuition and room refund insurance plan which would insure students against financial loss should they withdraw from the Law Center for a covered illness. Arrangements for coverage under this plan must be in place by the start of the academic year. A brochure explaining the plan, including costs, will be mailed to students in July. Information may also be obtained from the Office of Student Accounts or the Office of the Registrar.

Vacation Periods
The Gewirz Student Center will be open during all vacation periods; however, services may be limited, and residents must notify the Office of Residence Life if they plan to remain in the building during vacation.
