Starting January 10th 2015, we will begin a new year round swim lesson program called the Little Lawyers Swim School. The school will offer three levels of swim lessons to children from ages 5+. In January we will test out a few mommy and me classes that will include children as young as 18 months.

The lessons will be taught by experienced swim instructors. Those instructors and deck assistants are listed below:

Colleen Hespeler (Swim Instructor)
Kate Kamerrer (Swim Instructor)
Samantha Rosa (Swim Instructor)
TBD (Deck Assistant)
Brandan Wilson (Supervisor)

Lessons will be held from 11:00am to 1pm every Saturday. Family Swim will be moved to a later time on Saturdays.

We will use two lanes of pool space and the pool will remain open to the Law Center community during lesson time.

All class sessions are year-round and are completely ongoing if your child misses a class do not worry, our method of continuous learning insures that every child learns at their own pace and advances through each of our swim levels.

Classes will be held every Saturday morning at the Georgetown Law Sport & Fitness Center.

Directions

The Pool is located on the 1st Floor of The Georgetown Law Sport & Fitness Center

Course Descriptions

Mommy & Me and Infant & Me  Begins Saturday @ 11:00am

Jurorfish (Elementary Aquatics)  Begins Saturdays @ Noon and 12:30pm
At this level children will learn to be both comfortable and safe in the water. This introduction to basic skills includes students putting their faces in the water (blowing bubbles) and breath control. Keys to progress (mechanical and rotary skill, ring games)

Lawyerfish (Fundamental Skills)  Begins Saturdays @ Noon and 12:30pm
At this level students will most likely be able to swim in short spurts at a water level where they can stand. We will focus on floating on our back and proper streamline at this level. Keys to progress (swim drills, stroke counting)

Judgefish (Skill Building)  Begins Saturdays @ 12:30pm
At this level we will build on the previous foundation. This level will increase the child's coordination and awareness of the four competitive strokes. This level is also suitable for children that are comfortable in the water, but need to be introduced to correct stroke technique. Keys to progress (stroke drills, technique drills)
