CHECKLIST of Important Things
to do PRIOR to your schedules registration session

Please review this checklist and make sure to take care of any items that apply to you before coming to Georgetown Law for your section’s Registration Session.

☐ TRANSCRIPT
Our accrediting association requires us to have, prior to registration, an official final transcript for every incoming student showing a baccalaureate degree and the date it was awarded. The Office of Admissions has previously informed you that students who graduated prior to Spring 2016 should have submitted transcripts from their undergraduate institution by May 1st and students who graduated in Spring 2016 should submit their transcripts by July 25th. Please note that transcripts submitted through LSAC are not acceptable substitutes for an official transcript. If you have not asked your undergraduate institution to send your final transcript to our Office of Admissions, please do so immediately.

☐ TUITION
Fall 2016 tuition is due in full to the Office of Admissions no later than Monday, July 25, 2016 in order to retain your seat in the entering class. Tuition statements will be mailed the second week of July. Tuition for full-time students for Fall 2016 and Spring 2017 is $28,788 per semester, less your deposit(s). Tuition for part-time students is $2,056 per credit hour, less your deposit(s). Entering part-time students carry 20 credits in their first year.

☐ ORIENTATION INFORMATION WEB PAGE
A draft of Georgetown Law’s 2016 J.D. Orientation schedule is available now on the Admitted Students website: http://apps.law.georgetown.edu/admitted-students/jd/enrolling/orientation.cfm. Your Registration Session has been finalized, but other events in the schedule are subject to date and time changes until August 1, 2016. We will post the up-to-date Orientation schedule and other useful information on the Admitted Students site throughout the summer. When finalized, registration for the Orientation service projects will be available through the Admitted Students site. Meanwhile, feel free to contact the Office of the Dean of Students with any questions you may have about Orientation or your transition to law school and Washington D.C. at 202-662-4066 or deanofstudents@law.georgetown.edu.

☐ PUBLIC INTEREST FELLOWS
In 2010, Georgetown Law introduced the Public Interest Fellows Program – a comprehensive program for students wishing to pursue a public interest track through law school and a public interest career. The program provides supplemental and focused career development support through the Office of Public Interest and Community Service, sets curricular guidelines, and fosters a sense of community among the participants. The program supports students through all years of law school, developing a tight-knit but ever-growing community of public interest-minded students and alumni. Applications are available on the Admitted Students site and are due August 1st.

☐ IMMUNIZATIONS AND HEALTH INSURANCE
Please refer to the Admitted Students site for information regarding immunizations and health services. Students registered for 8 or more credits a semester must have medical insurance coverage in effect for the entire academic year.

☐ TECHNOLOGY SERVICES
Begin your Technology Orientation by visiting http://www.law.georgetown.edu/campus-services/ist/orientation-information/TechnologyOrientationStudents.cfm. This site includes information on: your NetID and passwords (for accessing MyAccess and other restricted websites); Georgetown Law email account; MyAccess, a secure portal to personal academic services at Georgetown; Georgetown Law restricted websites; public computers and printers; training and support; and technology policies. Please remember that if you would like to take your exams on a computer, you will need to use your own laptop.

☐ VETERAN’S BENEFITS
If you are eligible for Veteran’s benefits, the Office of the Registrar will certify you so that your monthly checks can arrive without delay. Please contact the Office of the Registrar at 202-662-9220 or lawreg@law.georgetown.edu no later than August 23, 2016 to initiate the certification process.
