**REQUEST FOR DEFERRAL OF TUITION PAYMENT - VA EDUCATION BENEFITS**

This form must be submitted by the tuition payment due date for EACH TERM the student wishes to use their VA Benefits. Please submit this form to the Office of Student Accounts, Room 581, or via fax at (202) 662-4069.

This form must be completed by students who have already applied for the VA Benefits and have submitted a copy of the Certificate of Eligibility to the Office of the Registrar.

Once your course schedule is finalized the Office of the Registrar will certify your enrollment and submit it to the VA for processing.

Because payments from the VA to the school often arrive after tuition bills are due, the student will not be charged for late fees and service charges only on the amount covered by VA payments.

Student must ensure that any portion of their bill that will not be covered by the VA is paid on time in order to avoid the assessment of late payment fees and service charges.

**Note: Once you have received your Award Letter from VA, please submit a copy to the Office of Student Accounts for verification of the amount of benefits that you will receive.**
