Thursday, October 11, 2012

1:20 – 3:20 PM

Georgetown University Law Center

Eric E. Hotung Building, Room 2000

600 New Jersey Avenue, NW | Washington, DC. 20001

Derek Yach is Senior Vice President of Global Health and Agriculture Policy at PepsiCo where he leads engagement with major international groups and new African initiatives at the nexus of agriculture and nutrition. He has headed global health at the Rockefeller Foundation, has been a Professor of Global Health at Yale University, and is a former Executive Director of the World Health Organization (WHO). At the WHO, he served as cabinet director under Director-General Gro Harlem Brundtland where he led the development of WHO's Framework Convention on Tobacco Control and the Global Strategy on Diet and Physical Activity. Dr. Yach established the Centre for Epidemiological Research at the South African Medical Research Council. He has authored or co-authored over 200 articles covering the breadth of global health. Dr. Yach serves on several advisory boards including those of the Clinton Global Initiative, the Chicago Council on International Affairs' Agricultural Development Initiative, the World Economic Forum's New Vision for Agriculture, the NIH's International Centre and the World Food Program USA. Dr. Yach's credentials include: DSc (Hon), Georgetown University; MPH, Johns Hopkins School of Hygiene and Public Health; BSc, Epidemiology, University of Stellenbosch; MBChB, University of Cape Town Medical School.
