

REQUEST FOR INDIVIDUAL PAPER EXTENSION

Extension Policy:

Due dates for papers are as firm as due dates of examinations. Failure to submit a paper by the due date will bear the same consequence as failure to take an examination. Individual extensions may be granted by the professor only in writing on a form available from the Office of the Registrar and will be effective upon review and signature by the Associate Dean for the J.D. Program or the Associate Dean for Graduate Programs. All paper extension forms submitted for approval must specify the new date that the paper will be due.

Extensions 60 days beyond the end of the exam period in the Fall and Summer Semesters and 45 days in the Spring Semester should not be granted except in extraordinary circumstances.
