**9:35-9:55pm Committee working session:**

Committee members meet to discuss, plan and write-up proposals, send out emails to administrators. For example, *Special Events* will set dates for fall float and Barrister's Ball, decide where they want to host each, and delegate tasks, e.g. who is going to be calling to reserve spaces.

1. \*\*Good time to complains to Leon about things in the Law school, etc.
2. \*\*Delegates should also come prepared with one issue, event, suggestion you want to work on with your committee over the summer. I challenge you guys to spend just 5 hours during the \*entire\* summer to plan something -- whatever it is. It'll help you make a difference in the law school come next year.

**9:55-10:00pm. Announcements & Summer work.**

**10:00pm. Adjourn.**

<sup>1</sup>Time: between 9-10pm pending on Miguel's availability; he's going to be in GGSS rehearsals during our meeting. **Re appeals of budgets:** the Appropriations Committee will be hearing all appeals from individual groups as to the amount they have been allocated next week. Time/Date will be announced to all student groups upon the House of Delegate's approval of the SBA budget. The House's approval of the budget still allows the appropriation committee to adjust individual groups' allocations by an amount of up to \$500. See SBA Const.
