STUDENT AFFAIRS

Class Recording Policy

Because of Swine Flu, deans have liberalized the policy. All classes will be recorded and released on a limited basis for people who are actually sick

Dean McCarthy will send an email out clarifying the policy later this week

Externship

There will be a faculty meeting tomorrow on eliminating the enrollment cap for the externship program. We will discuss broader goals for the externship program at a later meeting.

Please co-sponsor our legislation online that we will submit to the faculty before the meeting

Externship Policy Resolution

Motion Moved and Seconded

Question- Will people who were not on the waitlist originally be able to benefit from the cap increase? Answer- Prof. Frisch will evaluate these on a case-by-case basis if the students came to him before the end of drop-add

Resolution passes unanimously

Special Events Committee Update

Fall Float- Price will be going up this year. If people get upset, let them know that the choice was unavoidable. We will be selling tickets the week of the event, so the special events committee would like to have members sign up

Fall Float Pricing- We need to stay as close to a 7,500 loss on Fall Float. If we sell at 41 dollars per ticket, we'll be just over that figure. If we charge 40, we'd be well under, but 45 would be well over...

We floated a good number of ideas, including selling Fall Float t-shirts, charging extra for non-lawschool guests

Interest parties should submit all suggestions to the Special Events Committee and the Executive Board

Social Committee Update

Bar Review Thursday at I Bar; there's a dress code, and bring your Go Card

No WWD because of Student Orgs Fair

Food For Thought- Stefanie Sclafani is looking for more people to help sponsor these events. Last week we had a lunch with Professor Langevoort. 130 people signed up for the lottery for the first event. We will be continuing to do the larger brown bag lunch events as well.

Technology

Jeff will be writing up a survey asking students what their technology concerns are, so tell Jeff if you have ideas

SBA Committees Resolution

More people will be added on Approp. as they express interest

In about 1 month, there will be a new resolution with any changes and including the 1Ls

Resolution Moved and Seconded

Friendly Amendment to remove Manny Guarch as chair of Class Recording

Policy subcommittee

Passed unanimously
