**PROJECT BASED**

In project-based practicum courses, students undertake work that is supervised by the professor. All credits are graded. Students may not take another practicum course or a clinic (except Street Law) at the same time as a project-based practicum course. In most cases, students may take an externship at the same time as a project-based practicum course; please see individual course descriptions for details.

- **Advanced Environmental Law: Climate Change**
  Professors Vicki Arroyo & Gabe Pacyniak

**FIELDWORK**

In fieldwork practicum courses, students conduct fieldwork at outside organizations and their work is supervised by lawyers there. Seminar credits are graded, but fieldwork credits are pass/fail. Students may not take another practicum course, externship, or clinic (except Street Law) at the same time as a fieldwork practicum course.
