Wed., May 23		First day of summer classes; Monday classes meet instead of Wednesday classes

Registration Process:

Georgetown Law students register for courses via GU Experience. Instructions on how to add, drop, and waitlist courses can be found on the Office of the Registrar’s [Registration and Enrollment Information webpage](#).

Registration is first-come, first-served for most courses. Some courses with smaller enrollment limits will initially enroll by lottery to ensure priority for graduating students. Students registering for these courses on the first day of Summer Registration will be instructed to add themselves to the waitlist. This does **not** mean these courses have filled. Students will be awarded seats in these classes when the first waitlist lottery runs according to the enrollment priority for waitlists.

The following Summer 2025 courses will enroll by waitlist:

- [Beyond Buck v. Bell: Exploring the Intersection of Reproductive and Disability Justice](#)
- [Federal Regulation of Biopharmaceuticals: Issues and Controversies](#)
- [Mediation Advocacy Seminar](#)
- [Negotiations Seminar](#)
- [Sentencing and Pre-Trial Detention: Law and Policy](#)
- [Strategic Intelligence and Public Policy Seminar](#)

Students may cancel their Summer registration without penalty by dropping course(s) in [GU Experience](#) before the end of Summer registration. To drop a course without penalty after the first class meeting, students must submit a written request to the Office of the Registrar at lawreg@georgetown.edu prior to the start of the second class meeting for that course. Please note that some courses have special add/drop rules—be sure to carefully review the course description in the [Curriculum Guide](#) before registration.

Enrollment Priority for Waitlists:

Requests for waitlisted courses will be processed in the following order:

1. Expected Summer J.D. and LL.M. graduates
2. 4L, 4E, 3L (including evening students approved for a 3-year plan), and 3rd year joint-degree J.D. students; full-time and 2nd year part-time LL.M. students
3. 3E J.D. students
4. 2L and 2E J.D. students, first-year part-time LL.M. students
5. 1L and 1E J.D. students
6. Graduate Certificate students
7. Non-degree students (J.D. students from other law schools and graduates)

Note that class status (2L, etc.) is based on the current academic year—that is, if you are currently finishing your first-year of law school, you are a 1L or a 1E for purposes of Summer waitlist ranking.

Please note that among students with the same priority level, *waitlist priority is time-sensitive*.

J.D. Externship Seminar:

To register for a Summer Session Externship Seminar, Georgetown Law J.D. students must apply through the [J.D. Externships webpage](#). The Summer 2025 J.D. Externship Application will open on Monday, March 31, 2025. Students should review the J.D. Externship Manual in its entirety before applying for the Externship Seminar. Visit the [J.D. Externships webpage](#) for more information.

Generally, full-time J.D. students will have a tuition credit applied to cover the Summer Session Externship credits, with two exceptions:

- (1) Full-time J.D. students who were once part-time students and continue to pay tuition on a per-credit basis will be charged for these credits; and
- (2) Full-time students who transfer to the part-time division or to another law school after their summer externship will have a retroactive charge for their externship credits posted to their student accounts.

Regular tuition rates apply for part-time (evening division) students.

NON-DEGREE ENROLLMENT (VISITING STUDENTS)

The Summer Session is open to J.D. students in good standing at other ABA-accredited law schools and to graduates of those schools. *Enrollment is on a space-available basis with enrollment priority given to Georgetown Law degree candidates.* Incoming J.D. transfer students interested in summer courses at Georgetown Law should apply as non-degree students.

To enroll in Summer Session courses, students from other law schools and J.D. graduates must apply to the non-degree J.D. or non-degree Graduate program through the Office of the Registrar's [Non-Degree Programs webpage](#). A "C+" or better academic average is required. If English is not the applicant's native language, a TOEFL score report is required. The minimum score required is 100 points on the internet-based TOEFL exam, 250 on the computer-based TOEFL exam, or 600 on the paper-based TOEFL exam. Visit the [Non-Degree Programs webpage](#) for information and additional program requirements.

The online application will be available on April 1 at 9:00 a.m. ET and close at 3:00 p.m. ET on April 23. **The completed application and all required documentation must be received by 3:00 p.m. ET on Friday, April 23.** *No late applications will be accepted.*

TUITION AND FEES

The following tuition charges apply during Summer Session 2025:

Category	Tuition Charge
J.D. (Georgetown Law and Visiting JD Students)	\$2,812.00/credit hour
LL.M. (graduate) and graduate non-degree	\$3,428.00/credit hour
LL.M. Summer Experience	\$5,000.00

Tuition Equalization Fee: J.D. students who have been granted approval to transfer after their first year from the part-time program to the full time program will be assessed a Tuition Equalization Fee, the net result of which will be that at the end of three years, the student will have paid the same total tuition as other full-time students. The Tuition Equalization Fee amount will be based on the tuition paid at the time of the approval, and will entitle students to take a limited number of credits in any Georgetown Law summer program without paying additional tuition. Affected students should contact the [Office of Student Accounts](#) for more information. For additional information about transferring between the full- and part-time divisions, please review the [Georgetown Law Student Handbook of Academic Policies](#).

Summer Payment Plan: The Summer Payment Plan allows students to pay their summer tuition in three installments, due May 16, June 16, and July 16, each of which is equivalent to one third of the balance. The minimum plan contract amount is \$2,000 and there is a \$50 application fee. Students may enroll online through Student Accounts Services on [GU Experience](#) from April 9 through May 15, though late enrollment will be allowed through June 2. *Please note that these dates are tentative for Summer 2025.*

Tuition Due Date: Summer Session 2025 tuition and fees payments are due in full no later than Friday, May 23, 2025 (*please note that this date is tentative and may be subject to change*). Student accounts with unpaid balances after May 23 will be assessed a Monthly Service Charge equal to 1.75% of the outstanding balance. The Monthly Service Charge will be assessed until all balances are paid in full. It is the student's responsibility to obtain an updated bill online through [GU Experience](#) immediately when: (1) enrolling in each term's course(s); (2) adding or dropping course(s); (3) classes are about to begin; and (4) the Add/Drop period closes. Any and all charges incurred after registration are due and payable at the time they are incurred.

Students Using VA Benefits: Your request for certification must be submitted by May 7 to avoid late fee assessments (applicable for Ch 33 Post 9/11 and Ch 31 VocRehab). If there are any changes in your enrollment, you must re-submit the form with updates as soon as possible or send an email to lawmilitarybenefits@georgetown.edu or lawreg@georgetown.edu.

TUITION REFUND POLICY

Students using federal financial aid should contact the Financial Aid Office to discuss the federally mandated refund process prior to finalizing their withdrawal. A student

voluntarily withdrawing from the Summer Session after enrolling will receive a tuition refund calculated from the date the Office of the Registrar receives *written notification* of withdrawal. For purposes of tuition refund calculation, weeks will be computed from the official first day of class as shown on the [Academic Calendar](#) even if the course(s) begin on a day other than the official first day of class. Exception: A student will be permitted to drop a Summer course after the first class meeting, without a transcript notation, if a student submits a written request to the Office of the Registrar prior to the second class meeting. In this instance, students who are charged tuition by the credit hour will receive a 100% refund for the course.

<i>Written Notification of Withdrawal</i>	<i>Tuition Refund Percentage</i>
Prior to the start of classes	100%
1st week	80%
2nd week	50%
3rd week	25%
Balance of the session	0%

TUITION REFUND PLAN

Georgetown University Law Center continues to partner with A.W.G. Dewar, Inc. to administer the Tuition Refund Plan, which complements and enhances the University’s published tuition refund policy, available on the Law Center’s [Student Accounts webpage](#). The Plan provides up to an 85% refund of the tuition paid for the semester, less any tuition refund due you from the University. Please note that the University tuition refund policy, as well as the Plan, applies to complete withdrawals only, not withdrawals from individual courses. J.D. and LL.M. students are automatically enrolled in the Plan. Students who do not wish to participate can opt-out by completing the [online waiver form](#). The deadline to opt-out for Summer is May 31, 2025. For students who opt-out of coverage, the eligible tuition refund in the case of a medical emergency will be limited to amounts refundable under the University’s Tuition Refund Policy. This Plan is offered solely as a service to our students and families, and the University does not receive any compensation for the Plan.

FINANCIAL AID

Georgetown Law Students:

If you need financial aid to cover your summer courses and eligible living expenses, please follow the instructions on the [Office of Financial Aid’s website](#). The application due date is April 15. This deadline has been established to ensure that summer funds will arrive on time.

Students From Other Law Schools:

If you need financial aid to cover your summer courses and eligible living expenses, please contact your home school's Financial Aid Office. At your home school's request, the Georgetown Law Financial Aid Office will complete a consortium agreement and return it to your home school's Financial Aid Office to allow it to process your financial aid. Although processing procedures vary among schools, to avoid the assessment of late fees for unpaid summer tuition, we recommend following the April 15 due date to submit your summer loan forms to your home school.
