I have read and understand the F-1 immigration advice provided by ISS via the CPT webpage. U.S. Department of Homeland Security (DHS) policies, practices, and regulatory interpretations are fluid and may change at any time. Guidance provided to me by international student advisors, as well as information on the ISS website and handouts, should not be construed as legal advice. Advisors may recommend consultation with an immigration attorney in particularly complex or uncertain cases. I cannot begin my paid or unpaid position without my updated Form I-20 authorizing CPT.
