1. Write a list of the top geographic preferences you have circled or starred.

2. Where have you lived and worked before?

3. Where do you have professional, family, or personal networks?

Circle areas of the map where you would like to work during your 1L and 2L summers. Star areas where you would like to be after graduation. Note: these may be the same places.

Please enter your top choices for where you would like to work in the “Geographic Preferences” box on page 19.
