89% of patients served live below 200% of the federal poverty level

PATIENT OUTCOMES & HIGLIGHTS

"The attorney was so professional and personable, she met me right at my treatment. I can't say enough good things about her. She went above and beyond. She fixed a ticketing issue for me, so now I can drive to the hospital and go to my appointments."

-C-LAW patient

Secured \$67,000 for Cancer LAW patients in disability benefits, debt relief, and Medicare & Medicaid costsavings and benefits

Hosted the inaugural Conversation Cafe, a free event to walk cancer patients and their families through the healthcare decision making process

Obtained or maintained health insurance for 5 patients

Met a late-stage, home-bound patient at her apartment to execute advance planning documents, providing peace of mind to her and to her family

Maintained employment status for a patient undergoing cancer treatment at risk of being unemployed

Successfully won a previously-denied disability benefits appeal for a latestage cancer patient in the amount of \$6,700

Secured immediate home health care for a patient disabled by treatment side effects, allowing the patient to remain in the home and for the patient's family to return to work

CAPACITY-BUILDING & COMMUNITY PARTNERSHIPS

In Fall 2021, Cancer LAW attorneys:

Attended trainings conducted by Equal Justice Works, the DC Bar, and the Victims Legal Network DC, to enhance attorneys' ability to serve patients

Created an interactive workbook to guide patients through legacy planning, including information on advance directives and power-of-attorneys

Presented a legal issue spotting training to the MWCI Palliative Care Team

Secured funding for an additional Equal Justice Works Fellow, expanding C-LAW's capacity to serve patients
