

STUDENT FELLOWS PROGRAM: FALL 2022

Technology, Listeners, and the First Amendment

PROFESSOR HELEN NORTON, COLORADO LAW SCHOOL

Accommodation requests related to a disability should be made by 10/1/2022 to lawconstitution@law.georgetown.edu

Tuesday, October 4th

12:30 pm

McDonough 200

Introduction by Professor Paul Ohm

Refreshments will be provided

Empowered by the ability to collect and aggregate information about users and then to tailor messages designed to shape those users' responses, today's digital technologies can facilitate manipulation unprecedented in its reach and success. Differences in power and information matter to First Amendment law, permitting the government's interventions to protect vulnerable listeners. The First Amendment permits the government to intervene to protect listeners from speakers' manipulative efforts in certain settings.
