# Event Planning

## 1. Event Planning and Management

Events are critical tools for institutional advancement. Some of the basic issues surrounding events are very straightforward: location, date, time, etc.

Please ensure you check with the Office of Student Life regarding any necessary approvals needed for your event.

A successful conference or meeting takes time and forethought, and we encourage you to **begin planning early**. Large, complex events may require many months of preparation and should be booked as soon as possible. Please note that the demand for event space is high at Georgetown Law, so we recommend that you book and begin planning your event as soon as possible.

## 2. Event Organizer Responsibilities

Event organizers are expected to:

- Input accurate and complete information into Formstack when you reserve a space from the GU Law website at [https://www.law.georgetown.edu/your-life-career/activities-organizations/office-of-student-life/space-reservations/](https://www.law.georgetown.edu/your-life-career/activities-organizations/office-of-student-life/space-reservations/) at least 2 weeks prior to the event with details of your Audio Visual, Facilities and Public Safety services requested. Special Events should start no earlier than 9:00am.
- Your event request can be updated for minor set up changes no later than 72 business hours prior to the event date.
- Questions, concerns or a walkthrough requests for Facilities Management/ Audio Visual or Public Safety must be sent to lawstudentlife@georgetown.edu. Please note that requests sent to this email are not guaranteed an immediate response and it is best to follow up with an individual within the office via a call or separate email.
- Contact the Office of Student Life for approval prior to obtaining any closed captioning services.
- Conduct events so that it starts and ends on time. This is especially important if your event is live webcasting.
- To comply with local, state, and federal laws contact DPS with questions or concerns at (202) 662-9325 to request to speak with a supervisor or email lawpolice@georgetown.edu

## 3. Things to Consider for Your Event

This event planning list of Dos and Don'ts was developed to assist students when they are organizing events. Not all items on the list will be relevant to every event.

**Note:** Playing Copyrighted Materials that will be Broadcasted/Streamed through Commercial Websites (I.E.: YouTube; Facebook) will cause the commercial site to **BLOCK** the Stream in the Midst of Event Streaming, and BLOCK the Originator for 90 Days. Due to the Copyright Transgression.
DO...

- Include in the request form:
  - Event contact name and phone
  - Event Name
  - Event Location

- Use grills, open fires, candles and any form of Incendiary equipment (requires prior authorization).
- Prop open exterior doors.

Office of Communications

If your event involves high profile external individuals (i.e. members of Congress, heads of state, etc.), we ask that the organizers notify the Office of Communications to discuss potential Georgetown Law and/or external media coverage, as well as the Office of the Dean. This information is helpful to have, even before the event agenda is finalized.

Questions:

- Will outside media be invited to cover the event?
- Have the speakers and guests been advised that their remarks may be covered by outside media or Georgetown Law’s own platforms? (Web, Magazine, Social Media)
- If media will be invited to cover, has a multbox been requested from AV?
• C-SPAN – if they are invited and plan to attend, have arrangements been made for advance set-up (they generally ask to set up 2 hours early)? Has Public Safety been notified of any doors and entrances that need to be opened for the crew?
• Has a photographer been hired?
• Will the event be live-streamed? If so, have arrangements been made with the AV department for closed captioning (required)?

Department of Public Safety (DPS)

• Request to speak with a DPS supervisor or email lawpolice@georgetown.edu in advance (at least one week before the event) of a high-level VIP visit or any security concern.
• Do consider that during weekends and non-business hours, public entrances may be closed and not staffed with an officer. Therefore, if you anticipate an event running late or being held over a weekend and will need building access, please contact DPS to make arrangements. The average overtime rate per officer is about $32 per hour.

  o Gewirz Student / Residence Center: 24 hours, 7 days a week

A printed copy of the list can be dropped off to the on-duty supervisor at McDonough Hall, Room 102, or you can email a copy of the list to lawpolice@georgetown.edu.
• Advise non-Georgetown University affiliated attendees that they will have to show photo ID to be signed in if they are not registered for the event. The attendee will be denied access if validation cannot be confirmed with the host.
• Do advise attendees that there is no public parking on campus. If speakers or other VIPs require parking, please contact the Parking Office and DPS so that the appropriate arrangements and notifications can be made.
• If a VIP is expected (with or without an additional security detail), please notify DPS so that appropriate arrangements can be made with protective/security teams, as needed
• Do advise attendees with accessibility issues as to handicapped-accessibility access routes to the building where the event is being held
• Please use the proper address for where the event is being held to minimize confusion for off-campus attendees:
  o McDonough Hall / Hart Auditorium: 600 New Jersey Avenue NW
  o Hotung Hall / Sport & Fitness Center: 550 1st Street NW
  o Gewirz Student Center: 120 F St NW
• If the event will be catered, make arrangements with Facilities and DPS in advance to ensure caterers have needed access to building(s) and appropriate parking areas for unloading and loading purposes.
4. Event Calendar and Flyer

Every morning, the Student Life Office will post a daily event calendar to the GULC community in the elevators in each building. Student groups must submit a request form through Formstack for permission to post flyer, poster and digital advertisement for their events. The flyer and poster must be posted on the designated areas only.

How to Reserve a Room

1. Reservation Process

Reserving an event space is quite simple.

- Fill out either the Special Events Request Form or Meeting Space Request Form in Formstack or submit a hard copy to the Office of Student Life at Hotung 3102.
- You will receive an email from Formstack confirming that your request has been sent to the Office of Student Life. Once your request has been successfully submitted and processed, you will receive an email confirmation with the reservation number from the Office of Student Life.
- You will be instructed by the Office of Student Life if there are follow up steps regarding the event.

2. Changes and Cancellation Procedures

- If changes are to be made, you should reply directly to your room confirmation email the changes you wish to make. If you have not yet been approved for space, email the Office of Student Life directly with your request. This option is available for cancelling or re-scheduling the event as well.
- **There is a 72 business hour freeze on event changes.** Please contact the Office of Student Life directly if you need to change anything prior to your event start date.
- If there is a cancellation or change in date, time, or location, please notify the Office of Student Life so online/print public calendars can be updated in a timely fashion.
