

## Looking Outward

### Geographic Market

- Where do you see yourself practicing?
  - How important is this factor to your job search?
- .....

### Practice

- Which practice region/s – or, if you know more specifically, practice area/s – seem/s interesting to you? Why?

## Follow-up Questions

## Looking Inward

### Working at a Firm

- If working at a firm is of interest, why?
  - What challenges do you anticipate facing in working there?
- .....

### Preparing for Recruitment

- Which of the hiring criteria will you work on, and how?

## Top 3 Takeaways

1. There are **lots** of jobs in the private sector; many of those are in law firms.
2. Firms vary widely by size, practice focus, staffing models, and hiring patterns.
3. Large firms hire earlier in your law school career; thus they engage in recruiting activity earlier and with more regularity.
