

CHECKLIST of Important Things to do PRIOR to Orientation

Please review this checklist and make sure to take care of any items that apply to you **before** coming to Georgetown Law for your section's Orientation Session:

OFFICIAL TRANSCRIPT

Our accrediting association requires us to have, *prior to enrollment*, an official final transcript for every incoming student showing a baccalaureate degree and the date it was awarded. Please note that transcripts submitted through LSAC are NOT acceptable substitutes for an official transcript. You must submit your official final transcript directly to the Office of Admissions. If you have any questions, please contact the Office of Admissions at 202-662-9010 or lawhotline@georgetown.edu.

TUITION

Fall 2021 tuition is due to the Office of Admissions on **July 26, 2021**. Tuition information can be found on the [Admitted Students Website](#).

IMMUNIZATIONS AND HEALTH INSURANCE

Please refer to the Student Health Services [webpage](#) for information regarding immunizations and requirements. All incoming students must review their immunization requirements and status, which can be found in the [GU Immunization and Health Information Database](#) using your Georgetown NetID and password. If you have any difficulty submitting your information or have any questions regarding this process, please view the [FAQs](#) page or you may send a secure message within the portal linked above. If you are missing an immunization, including the COVID-19 vaccine, there will be on-site clinics available by appointment during Orientation Week.

Students registered for 8 or more credits per semester must have medical insurance coverage for the entire academic year. Information on Student Health Insurance is available on their [website](#).

SCHEDULES & TEXTBOOKS

Please know that Curriculum A section assignments are not final until the Orientation sessions; if your large section is changed before then, you will be notified directly by the Office of the Registrar. We understand that you would like to make plans based on these assignments (e.g., day-to-day schedules, purchasing textbooks, etc.) however, there are many moving factors when determining these assignments; **the Office of the Registrar reserves the right to make any necessary changes before the Orientation sessions.**

TECHNOLOGY SERVICES

Begin your Technology Orientation by visiting the Information Systems Technology (IST) [webpage](#). This website includes your Technology Orientation, hardware/software recommendations, technology policies, and other important information. **Please remember that if you would like to take your exams on a computer, you will need to use your own laptop and will be required to download Exam4, Georgetown Law's exam software.**

VETERAN'S BENEFITS

If you are eligible for Veteran's benefits, the Office of the Registrar will certify you so that your monthly checks can arrive without delay. Please contact the Office of the Registrar at 202-662-9220 or lawreg@georgetown.edu no later than **August 20, 2021**, to initiate the certification process.
