1. While it is possible to pursue this program/certificate combination, it requires careful planning and course selection. It is possible that not all required courses will be compatible in a given year. Admitted students should speak with an academic advisor during the course registration process if they are interested in pursuing this combination.
2. This program/certificate combination may be earned by U.S.-trained attorneys only.
3. This certificate may be earned on a stand-alone basis (i.e. not in conjunction with an LL.M. program).
