

FALL AND YEAR-LONG Practicum Courses (2021-2022)

PROJECT-BASED

In project-based practicum courses, students undertake work that is supervised by the professor. All credits are graded. Students may not take another practicum course or a clinic at the same time as a project-based practicum course. In most cases, students may take an externship at the same time as a project-based practicum course; please see individual course descriptions for details.
