Penalty for Late Grade Submission
Several years ago, full-time faculty members voted to impose on themselves a stiff penalty for late submission of grades. For graduating students' grades, there is a penalty of $100 per day for each day that grades are turned in after the deadline (no grace period). For non-graduating students, there is a three-day grace period following the deadline; the penalty on the fourth day would be $400, and an additional $100 penalty would be imposed for each additional day that the grades are submitted late. Please note that while the monetary penalty does not apply to visiting or adjunct faculty, the grading deadlines are the same for full-time, visiting, and adjunct faculty members. Please be sure to submit your grades by the deadline.

Please use the following instructions to assist you in entering raw scores and final grades using the online grading system.

DUO Enrollment/Installation:
You need to be enrolled in the Georgetown DUO Application and have the app installed on your smartphone in order to log into MyAccess. From MyAccess, you will be routed to the new grading platform where you will enter your grades. Below are instructions for enrolling in DUO and logging into MyAccess using the DUO app.

If you still experience difficulty, please contact the UIS Helpdesk at 202-687-4949 or help@georgetown.edu.

Grade Reporting Process
The online grading system requires faculty to enter and submit raw scores and final grades in MyAccess through the grading portal. All grades are due by the dates and times listed above.

Through the online grading system, you will:
1. Enter raw exam scores for anonymous exams and receive information about the students’ identity after all raw scores have been submitted.
2. Enter and submit final course grades.
4. Review the grade distribution (curve) for your course.
5. Submit grades for your course.

We ask that you return student exams “with comments only” and/or grading rubrics to the Office of the Registrar. Please organize the exams in exam number order. These exams will be made available to students during the Exam Review periods.
Log into MyAccess (http://myaccess.georgetown.edu/)

Click on the MyAccess link in the Faculty section.
You will be asked to sign in with your NetID and password. Please remember to safeguard your password as you would your bank’s PIN number. This password also accesses your employee information, including your payroll and contact information. If you have any trouble logging into MyAccess, please contact the Law Center Helpdesk at lawhelp@georgetown.edu or 202-662-9284.
Enter Raw Exam Scores and Receive Information regarding Students’ Identities

If your course featured a blind-graded exam, you will need to enter your students’ raw exam scores before you can view their identities and finalize their grades.

- To enter raw scores, click on the blue Faculty and Advisors tab at the top of left of the page.

- Then click on the Law Final Grading tab. **Do not click on Faculty Grade Entry to submit Law Center grades.**

- You will be directed to the grading platform and will be asked to sign in one more time with your NetID and password.
- On the welcome page, you will see all the courses that you are teaching in the current term.

Welcome,

Listed below are the courses for which you have been identified as the primary grader. Please note that the options available for each course will vary depending on the current stage in the grading workflow.

After you electronically submit your raw scores, you will be able to view student names and the corresponding exam numbers. You will then have the opportunity to either: (1) confirm your raw scores are your final grades or (2) adjust your raw score grades before submitting your final grades to the Office of the Registrar.

IMPORTANT! It is critical that you NOT tell students their grades until AFTER the final grades have been approved and the status line indicates that the grades have been uploaded to Banner.

- If your course has an exam section and a paper section (i.e., 3-credit and 2-credit sections of the same course), there will be two separate course numbers or CRNs. Please be sure to check that you see the CRN for each section. You should enter the scores or grades for one section, then come back and enter the scores or grades for the other section. Be advised that these sections, although part of the same course, will be curved separately for having different final assessments and or credit amounts. Note: You do not need to enter raw scores for paper courses. See Grading Instructions for Papers.
**Entering raw scores**

- You will see a list of your students’ anonymous Exam IDs, and a blank to enter each score. You can enter numbers, letters (85, B+), or short phrases (ex: “Q1: 4/5, Q2: 7/10”), up to 15 characters. Note: You may print this page to use as a grading sheet. There is a notes column where you can add any notes that will help you with the grading process; these notes will not be added to the students’ records.

- There is **NO SAVE BUTTON** on the screen; however, your work is saved automatically as you are entering it on the page. You may sign out if necessary and return later without losing your work. **Please be aware that once you enter all of the raw scores and click the “Proceed to Final Grading” button, you will not be able to make changes to the raw scores.**

- Once you have entered all raw scores and you are ready to proceed to the final grade screen, please click on the **“Proceed to Final Grading”** button. You will then be asked to confirm that you wish to do so.
After submitting the raw scores you will be redirected to the welcome page; please click the “Assign/Edit Grades” button to access the final grading phase.
Enter Final Grades
After submitting all the raw scores, the students’ names and their exam numbers will be displayed.
To assign a final grade, choose a letter grade from the letter grade menu for each student.

- There is **NO SAVE BUTTON ON THE SCREEN**; however, your work is saved as you are entering it on the page.

- Once you have entered all final grades, click “Check Conformity” to make sure that your grades are following the current curve.

- If your grades meet conformity based on the curve associated with your course, you will receive a message stating that your grades are “In conformity with required grading guidelines”.
You will also see a breakdown of your grade distribution in comparison to the recommended distribution. The mandatory ceiling mean GPA (if applicable), along with the mean GPA for your class, will also be displayed.

Making Changes to your Final Grades

Prior to the Grades Deadline: You may make changes to your final grades yourself up until you submit your grades to the Office of the Registrar. Once you have submitted your grades, you will not be able to make any changes. Grades will be posted for students to view.

After Grade Posting: If you wish to make a change to a previously submitted grade, based on a demonstrable clerical error, you will not be able to make the change online via the grading platform. In order to request a grade change based on a demonstrable clerical error, you must contact the Office of the Registrar at lawreg@georgetown.edu, and provide details of the error in reporting the grade. Please do not communicate a grade change to the student unless the Registrar has approved the change.

Assistance Via Phone and Email

If you need assistance entering your grades, please contact us at 202-662-9220 during business hours or lawreg@georgetown.edu and we will respond as soon as we are able.

Please note that Office of the Registrar staff will not be able to submit grades for you online because we cannot impersonate you in MyAccess. You should not share your MyAccess password with others. Handle your online grading access the same way you would handle access to your personal information.

Grading Policy

In Spring 2020, the faculty voted to make changes to the grading policies and curves for 1L and upper-level courses, effective Summer 2020. The new policies are below.
### Mandatory 1L Course Curve

Classes of fewer than 90 students may exceed or fall below the specified range for A and A- grades by one student. At least one A+ may be awarded per first-year class, regardless of class size. This Mandatory Curve applies to all first-year required courses, including the Evening Division sections of Criminal Justice and Property taken during the second year of the evening program.
