Penalty for Late Grade Submission
Several years ago, full-time faculty members voted to impose on themselves a stiff penalty for late submission of grades. For graduating students’ grades, there is a penalty of $100 per day for each day that grades are turned in after the deadline (no grace period). For non-graduating students, there is a three-day grace period following the deadline; the penalty on the fourth day would be $400, and an additional $100 penalty would be imposed for each additional day that the grades are submitted late. Please note that while the monetary penalty does not apply to visiting or adjunct faculty, the grading deadlines are the same for full-time, visiting, and adjunct faculty members. Please be sure to submit your grades by the deadline.

Please use the following instructions to assist you in entering raw scores and final grades using the online grading system.

DUO Enrollment/Installation:
You need to be enrolled in the Georgetown DUO Application and have the app installed on your smartphone in order to log into MyAccess. From MyAccess, you will be routed to the grading platform where you will enter your grades. Below are instructions for enrolling in DUO and logging into MyAccess using the DUO app.

Grade Reporting Process
The online grading system requires faculty to enter and submit final grades online. All grades are due by the dates and times listed above.

Through the online grading system, you will:
1. Enter and submit final course grades.
3. Review the grade distribution (curve) for your course.
4. Submit grades for your course.

We ask that you return student papers “with comments only” and/or grading rubrics to the Office of the Registrar electronically. These papers will be made available to students during the Exam Review periods.
Log into MyAccess (http://myaccess.georgetown.edu/)
Click on the MyAccess link in the Faculty section.

You will be asked to sign in with your NetID and password. Please remember to safeguard your password as you would your bank’s PIN number. This password also accesses your employee information, including your payroll and contact information. If you have any trouble logging into MyAccess, please contact the Law Center Helpdesk at lawhelp@georgetown.edu or 202-662-9284.
To enter grades, click on the blue **Faculty and Advisors** tab at the top left of the page, and
● Then click on the **Law Final Grading** tab. **Do not click on Faculty Grade Entry to submit Law Center grades.**

● You will be directed to the grading platform and will be asked to sign in one more time with your NetID and password.
• On the welcome page, you will see all the courses that you are teaching in the current term.

If your course has a WR and a paper section (i.e., 3-credit and 2-credit sections of the same course), there will be two separate course numbers or CRNs. Please be sure to check that you see the CRN for each section. You should grade for one section, then come back and enter the scores or grades for the other section. Be advised that these sections, although part of the same course, will be curved separately for having different final assessments and or credit amounts.
Enter All Grades

To assign a final grade, choose a letter grade from the letter grade menu for each student.

There is no save button on the screen; however, your work is saved automatically as you are entering it on the page. Once you have entered all final grades, click “Check Conformity” to make sure that your grades are following the current curve.

If your grades meet conformity based on the curve associated with your course, you will receive a message stating that your grades are “In conformity with required grading guidelines”.
You will also see a breakdown of your grade distribution in comparison to the recommended distribution. The mandatory ceiling mean GPA (if applicable), along with the mean GPA for your class, will also be displayed. You may now click “Submit Final Grades”.

N/A*
If your grades do not follow the approved curve guidelines, you will receive a notice that your grades are “not in conformity with required grading guidelines”. The system will also display the reason why you are not in conformity. To make the necessary grade adjustments, click the “back” button and you will return to the final grading phase. Once you have completed the adjustments and confirmed grade curve conformity, you may click “Submit Final Grades”.

**Entering Partial Grades**

With paper courses, you are allowed to enter partial grades for your course in batches. This will allow you to submit some grades first and the rest later. This would usually be the case if you have allowed paper extensions for some of your students.

Enter grades for the students you would like to grade and once done, click “**Check Conformity**” button.

The conformity report associated with your course will display, note that because not all grades are entered, the message “Not in conformity with required grading guidelines” will display but the system will allow you to submit those grades by clicking on the “**Submit final grades(partial)**” button.
Please note that the curve will still apply to the entire class. For example, if you distribute all the As allowed in your class during the first batch of grades, you will not be allowed to give any more A grades to the remaining students.

You will be asked to confirm that you would like to submit a partial list of your final grades. Click “Yes”. 
Then you will return to the Faculty home page. You will notice that your course has been split into two batches.

When you are ready to submit the rest of your grades, please click on “Batch: 2”. You will be allowed to submit your grades in as many batches as needed. However, keep in mind that the curve will be applied to the entire course.
Assign Best Exam/Paper Designation
Faculty members are encouraged to identify the best exam/paper for each course. There is no limit on the number of best exams or papers that can be selected. To make this selection, click on the “Best Exam/Paper” check box located to the right of each paper or exam. Papers are not published on the Library’s website; therefore, you do not need to check off the “Publish to Library” box.

Making Changes to your Final Grades
Prior to the Grades Deadline: You may make changes to your final grades yourself online, up until you submit your grades to the Office of the Registrar. Once you have submitted your grades, you will not be able to make any changes and your grades will be posted for students to view.

After the Grades Are Posted: If you wish to make a change to a previously submitted grade, based on a demonstrable clerical error, you will not be able to make the change online via the grading platform. In order to request a grade change based on a demonstrable clerical error, you must contact the Office of the Registrar at lawreg@georgetown.edu, and provide details of the error in reporting the grade. Please do not communicate a grade change to the student unless the change has been approved by the Registrar.
Assistance Via Phone and Email
If you need assistance entering your grades, please contact us at 202-662-9220 during business hours or lawreg@georgetown.edu and we will respond as soon as we are able.

Please note that the Office of the Registrar staff will not be able to submit grades for you online because we cannot impersonate you in MyAccess. You should not share your MyAccess password with others. Handle your online grading access the same way you would handle access to your personal information.

Grading Policy
In Spring 2020, the faculty voted to make changes to the grading policies and curves for 1L and upper-level courses, effective Summer 2020. The new policies are below.

Classes of fewer than 90 students may exceed or fall below the specified range for A and A- grades by one student. At least one A+ may be awarded per first-year class, regardless of class size. This Mandatory Curve applies to all first-year required courses, including the Even Division sections of Criminal Justice and Property taken during the second year of the evening program.
