

YOU ARE READY FOR EXAMS...

Is your computer ready, too?

Things to do:

- Check that your computer meets Exam 4 minimum requirements including operating system
- Restart your computer before exams start
- Download the Spring 2024 version of the Exam4 software
- Disable pop-up blockers
- Take a practice exam (*Log into Saxanet on campus!*)
- Confirm course number
- Do not use extended or additional displays
- Full-screen the exam so you may see all settings, options, and actions
- Remain plugged-in to a power source for optimal performance
