# **JD Orientation**

## **SECTION 3**

# Welcome to Georgetown Law

Dear 1Ls,

Welcome to Georgetown Law! We are delighted you are here and cannot wait to meet you over the course of the coming days and weeks as you embark on your first law school semester.

The Office of the Dean of Students and the Office of Student Life have built a JD Orientation full of opportunities to learn more about each other, about Georgetown Law, and about Washington, DC. We hope that you will review this schedule and take advantage of its many offerings.

You'll notice in your schedule that events on Wednesday, August 21 and Thursday, August 22 following are in different colors:

**Mandatory sessions are in blue** and your attendance is required.

You will also see a series of **"Breakout Sessions" in green**. Throughout the day on Wednesday and Thursday, we have arranged for a menu of five programs addressing some important topics for new students. These range from how to think about success in law school, to strategic financial aid and planning, to advice from upper-level students. **These sessions are optional but encouraged**. All sessions will be recorded, so you won't miss material from the sessions you don't attend live.

Finally, there are a number of social, cultural, and wellness activities throughout the Orientation, such as campus tours, a Peer Advisor lunch, and our always highly-anticipated Faculty Moot Court. We hope you'll join us for as many of these as your schedule allows.

Once again, welcome to Georgetown and Hoya Saxa!

Mitch Bailin, Dean of Students  
Hannah Ward, Director of Student Life

## **1L 101: Preparing for Your First Class**

*Director of Academic Success Lisa Curtis will discuss how to prepare for law school classes and offer some tips for continued academic success throughout the year.*

## **Defining Success in Law School: Your OWN Version**

*This interactive session offers an opportunity to slow down, recollect, and reflect on your personal goals for law school. Professor Amy Uelmen will offer images and reflective questions to help frame your approach and identify the resources you already have for your own version of success. This session also provides an opportunity to connect with other first-year students outside your section.*

## **Counseling and Psychiatric Services (CAPS) Wellness Orientation**

*Join the Counseling and Psychiatric Services (CAPS) team as we provide you with an orientation to mental health and wellness as a law student. In this breakout session, we will go over common stressors incoming 1L students may experience, particularly in their first semester, along with some strategies and resources to help cope with this transition. At CAPS, we strongly believe that being mindful of your mental health and taking time to care for yourself (including attending this breakout session) is vital in being a successful law student. CAPS hopes that the information provided in this breakout session will help set students up for a balanced experience that emphasizes caring for the whole person in the midst of a busy law school experience.*

## **Practice Law/Practice Well: Lawyers in Balance**

*Lawyers in Balance (LIB) teaches law students mindfulness practices that will help them successfully navigate law school, defuse stress, and develop as leaders and problem-solvers. Trained facilitators (Law Center staff members) will lead students in a brief mindfulness practice and provide an introduction to the LIB program during this session.*

## **What I Wish I Knew: Peer Advisor Panels**

*The Peer Advisors will be on hand to give their best advice for 1L, what they wish they knew before starting their first year at Georgetown Law, and to answer your questions about the upcoming year and beyond!*
