I am requesting to defer payment of \$_____ of my tuition and any subsequent fees on my student account. I understand that by enrolling in one or more courses, I assume full responsibility for payment of tuition and associated charges, regardless of course completion.

I hereby promise to pay the deferred amount of \$_____, along with any applicable fees, contingent upon the University's approval of this application. I understand that while I will be charged a tuition deferment fee, any unpaid balance including tuition will accrue a **1.5% monthly service charge**. I agree to pay the full balance by the payment due date of **September 27, 2026**, to avoid additional service charges or a hold onto my account.

I understand that failure to pay may result in:

- Inability to register for future semesters
- Withholding of diplomas, transcripts, bar certificates, graduation certificates, enrollment verifications, or any other official documentation

I further agree to pay all collection costs, including reasonable attorney fees, incurred in the enforcement of this agreement.
